25th International Conference "New Cryogenic and Isotope Technologies for Energy and Environment"

INVITATION

The National Research and Development Institute for Cryogenics and Isotopic Technologies – ICSI Rm. Vâlcea is organizing the 2026 edition of the EnergEn International Conference, to be held on October 7–9, 2026, in Râmnicu Vâlcea, Romania.

The event will bring together researchers, institutions, and industry to share breakthroughs in next-generation energy technologies and environmental solutions. The conference focuses on resilient energy pathways, system integration, and science-based approaches for climate mitigation and resource sustainability.

We invite your organization to play an active role in this important international event. By becoming a sponsor, your company will gain high-profile visibility, strengthen its image in the scientific and industrial community, and support the advancement of resilient, low-carbon energy technologies and environmental solutions.

We would be delighted to discuss possible forms of collaboration and sponsorship levels best suited to your company's goals.

*The EnergEn 2026
Organising Committee*

Strategic Partnership Opportunity

ICSI Rm. Vâlcea organizes every two years an international scientific conference dedicated to new cryogenic and isotope technologies for energy and the environment, aligned with Europe's Green commitments. We promote emerging solutions in hydrogen, energy storage, and environmental analysis, supporting a resilient and sustainable future.

The 25th edition, EnergEn 2026, will provide a high-level forum for sharing research results and practical applications in advanced materials and energy–environment solutions, cryogenic technologies for isotope separation and energy systems, and isotope applications (radioisotopes, stable and non-traditional stable isotopes).

The program will highlight state-of-the-art developments and selected case studies, while encouraging scientific exchange and collaboration. It is also an opportunity for participants to showcase new innovations, products, or services to a highly relevant international audience.

EVENT INTRODUCTION

Opportunity

EVENT VISION & MISSION

VISION

EnergEn 2026 aims to advance a resilient, low-carbon energy future by promoting innovation in cryogenic and isotope technologies. The conference fosters collaboration across science, engineering, and industry to accelerate progress in hydrogen systems, advanced energy solutions, and environmental sustainability.

Who will attend?

The workshop is relevant to:

- Researchers (from universities, academies and research institutes)
- Industrial R&D teams
- Manufacturers of analytical measurement equipments and consumables

Participants

Based on previous events, we are expecting around 150 attendees mainly from Europe, and partly from all over the world. The Conference will be advertised through websites, trade publications, and extensive email lists.

Sponsorship Benefits:

Sponsoring EnergEn 2026 conference gives you the opportunity to make contacts, increase your brand awareness or promote your specific equipment/developments or recent studies on energy and environmental application, pre-, during, and post-event promotion keeps your company top of mind.

EVENT BENEFITS

The sooner you sponsor the more exposure you receive!

01

Strengthen Community Engagement

Pre-event benefits:

- Logo and link on the event homepage
- Logo, link and description on sponsor page
- Logo in attendees' emails
- Complimentary conference registration (dependent upon sponsorship level)

02

Promote Local and International

Onsite benefits:

- Logo on signage onsite
- Name, logo, description in conference program
- Logo on sponsor thank you slide at conference opening

03

Create High-Impact Brand Visibility Opportunities

Post-event benefits:

- Logo and mention in post-event email to attendees
- Full attendees list with name and title

SPONSORSHIP CATEGORIES

LEVEL

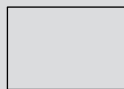

COST

PLATINUM

over € 1,200 (over RON 6,000)

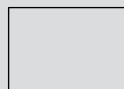

Name and logo on official materials and website
 Logo displayed during coffee breaks and intervals
 Inclusion of promotional materials in conference bag
 Exhibition space – include table, two chairs, access to electrical outlets
 One conference registration and 15 minutes promotional talk

GOLD

€ 801 – € 1,200 (RON 4,001 – 6,000)

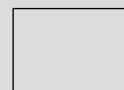

Name and logo on official materials and website
 Logo displayed during coffee breaks and intervals
 Inclusion of promotional materials in conference bag
 Exhibition space – include table, two chairs, access to electrical outlets
 One conference registration

SILVER

€ 500 – € 800 (RON 2,500 – 4,000)

Name and logo on official materials and website
 Logo displayed during coffee breaks and intervals
 Inclusion of promotional materials in conference bag
 One conference registration

BRONZE

under € 500 (under RON 2,500)

Name and logo on official materials and website
 Logo displayed during coffee breaks and intervals
 Inclusion of promotional materials in conference bag

METHOD OF PAYMENT

Bank Transfer
