

Dear colleagues,

The National Research and Development Institute for Cryogenic and Isotopic Technologies – ICSI Râmnicu Vâlcea is pleased to announce the 25th International Conference “New Cryogenic and Isotope Technologies for Energy and Environment” – EnergEn 2026, to be held on October 7–9, 2026, in Râmnicu Vâlcea, Romania.

The theme of this edition, “*Advancing New Technologies for a Resilient and Sustainable Future*”, emphasizes the development of integrated technological solutions addressing climate action, energy security, and environmental protection.

We invite you to join us in October 2026 and contribute your expertise to advancing innovative technologies for energy and the environment.

Looking forward to welcoming you to Râmnicu Vâlcea.

The EnergEn Organizing Committee

CONFERENCE TOPICS:

- *Hydrogen Isotopes, Nuclear and Advanced Energy Applications*
- *Integrated Energy Systems and Circular Energy Infrastructure*
- *Environmental Systems, Climate Action and Water–Energy–Food Nexus*

IMPORTANT DATES:

- Abstract submission deadline: August 28, 2026
- Notification of abstract acceptance: September 5, 2026
- Early registration fee deadline: September 18, 2026
- Registration deadline: October 2, 2026

SCIENTIFIC ADVISORY BOARD:

Prof. Mircea Dincă, Princeton University, USA
Prof. Mohamed Pourkashanian, Sheffield University, UK
Prof. Tudor Prisecaru, UNSTPB Politehnica, Romania
Dr. Magnus Schlosser, KIT, Germany
Prof. Aishui Yu, Fudan University, China
Prof. Horia Necula, UNSTPB Politehnica, Romania
